- JUNE 8-10** DEBARRY STUDIO 10, NJ
"Getting Mood in our Paintings" By creating atmosphere, soft muted tonalism, exuberant colors, attention-getting contrasts of values, exciting shapes and figures, we will take our paintings to another level of excitement that can arouse the viewer. The subject matter will be diverse, i.e., landscape, rocks, sunsets, rainy streets, motion, snow scenes, which will be executed with yellow, gray and black surfaces. I can bring some surfaces to sell, or one can produce their own.
